

SEEN & HEARD

"My son Daniel looks forward to the CYC 180° worship on Sunday nights, even when he doesn't have any homework! His time spent with the youth at Creekside helps his spiritual growth and gives him the opportunity to share and be in contact with other believers his age. My personal experiences with the youth on Sunday Hang Time and during outings have been great. I encourage all youth to give it a try as well as parents to get involved. CYC 180° has something for everyone."

-Jeff Pascoe

"I guess you can say the number one thing that I have developed in CYC 180° is passion. Passion for learning, passion for helping people, and passion to grow in my relationship with Christ."

-Ryan McNabb

"Throughout my ministry, I've had a high commitment level to teen ministry. Statistics bear out and experience shows, students are most influenced during their teen years for things of God. Teen ministry and CYC 180° are a priority and value at Creekside Church!"

- Pastor Terry Reilley

"Where friendships are made."

Welcome to CYC180°!

CYC 180° is an high energy event for Jr. and Sr. High students held on Sunday nights. It's a safe place for Students of all kinds to meet new people, eat great food, have fun, and have an opportunity to get answers to some of life's toughest questions. We combine this with several events throughout the year, and Students dig it!

OUR PURPOSE

CYC180°'s goal is to incorporate three elements that are extremely important to a teenagers life. Our goal is to help Students **"GATHER"** with others and to create an environment where they can **"GROW"** in God's purposes for their lives and also build their relationship with God as well as with others. Third, help them realize that they can **"GO"** out and live this life without compromise, while giving them an opportunity to reach out to those around them.

WHAT ARE J Pods? (GATHER, GROW & GO)

Psalms 119:105 (NIV) says... "Your word is a lamp to my feet and a light for my path." Every successful relationship has one thing in common... Quality time spent with one another and taking the time to get to know the other person. That's why we created CYC 180° "J-Pods". Hanging out with God, reading His word and journaling the amazing insight we gain from our time spent with Him! The best part is that we get to experience this together as we meet once a week to learn about how to hear God voice in our lives! We have many different times available. Check the CYC monthly calendar and choose the time that works best for you!

SUNDAY NIGHTS

Hang Time - 5 pm (GATHER)

This is a time when Students can come and 'hang out', play Wii or Xbox on one of our many large LCD TV's, play basketball, do homework, or just chill. We also have food available from our Snack Shack for those who are hungry. There is no charge for all our first time Students ('Newbies').

CYC 180° - 6 pm (GATHER GROW & GO)

A time of rocking music and relevant discussions to help Students find the answers to some of life's toughest questions. We begin the night with an amazing activity then we rock out together, followed by a brief and relevant message that leads us into the small groups portion of the night.

The Music...

The main part of the music ministry is our band modern Youth Band, consisting of student musicians/vocalists, and acts as a training ground for those who are interested in growing in their ability and using their instruments to help facilitate music on Sunday nights.

Student Leadership (GATHER GROW & GO)

CYC 180° is dedicated to helping students grow in maturity and develop leadership skills. Student Leadership is for students who are wanting to take their relationship with God to the next level, discover their gifts and put them into practice. This is accomplished through weekly meeting times, leadership conferences, community involvement and retreats. It also looks great on college resumes.

Jr. High Dive (GATHER, GROW)

This is where Jr. High students can come and learn what the Bible says about certain areas of life. They meet in a group setting and is a lot of fun. We meet twice a month on the 2nd and 4th Sundays.

CYC180° in action!

Throughout the year we have several fun-filled, purpose driven activities and trips designed to build relationships with one another, and to strengthen our relationship with God.

Summer Camp (GATHER, GROW)

This is quite possibly one of the greatest weeks of a Students life! This week away from home promises to be a time of pure excitement! Located in the beautiful Santa Cruz Mountains.

A.O.K. (Acts Of Kindness) (GATHER, GO)

Students reaching out to the community through "Acts Of Kindness". Our purpose is to let the "kindness" God be what people experience through our serving the community through various events.

Winter Retreats (GATHER, GROW)

Snowboarding in Lake Tahoe! Need I say more? Join us as we spend a Weekend in God's backyard hanging Out with one another and enjoying The fresh powder.

*** Movie Nights, Camping Trips, Concerts, Water Ski Trip, Lazer Quest, Broomball & much more!**

*And to help with the cost involved with the bigger trips, we also have fundraising opportunities such as our...

Annual Dinner/Silent Auction

This is our biggest fundraising event of the year, and it's catered by Kinder Meats! It gives our Students the opportunity to earn some big money to help finance summer camp and winter retreat. It is also a great time for all who attend!
